

Recommendations for Abstracts and Paper in extenso

The publication is using the rules for in-text citations and references according to the 6th edition of the American Psychological Association style (APA 6th). (<https://aewintecsitefinity.blob.core.windows.net/sitefinity-storage/docs/default-source/study-at-wintec/apa.pdf>).

Title, authors, affiliation

The title should be maximum 20 words and not contain abbreviations.

Specify the complete list of authors. Each author should be registered with his/her given or first name, followed by the surname/ last name.

Institutional affiliation (university/ college/ school/ hospital etc.) & section (department / discipline) must be provided for each author.

For institutional membership and for other citations use this format of quotation marks "... " ("Ion Iorgulescu" School of Mihăești, Argeș, Romania)

Contact person information (email and phone) is mandatory.

Between sections, one space line (empty row) will be left: the title, all the authors' names, all institutional affiliations, the correspondence address and the abstract.

Abstract (applying also for submitting only abstracts and for papers in extenso submitted in Romanian language)

The following is the recommended model to be sent for revision. All articles should begin with a 300-word abstract in English.

- Scientific material (For all sections of the conference):

Objectives. (Main elements of the study stages should be extracted and presented in a more concentrated manner).

Material and methods. (Clear and concise).

Results. (The relevant ones, expressed numerically and statistically evaluated where possible).

Conclusions. (Most important findings, any recommendations).

Keywords: 3 to 5 keywords, separated by commas and finalized by point, must be provided at the end of abstract.

- Dissemination of projects/ Informal articles

Title of the project. (as it was approved by the grant provider)

Coordinator of the project. (who is the promoter institution, manager of the project)

Source of the Grant. (where did the funds come from)

Partners. (if any)

Objectives. (Main elements of the proposal should be extracted and presented in a concentrated manner).

Management details. (total amount, specific management).

Activities approved. (Clear and concise).

Results. (The relevant ones, expressed numerically).

Conclusions. (Most important findings, any recommendations).

Keywords: 3 to 5 keywords, separated by commas and finalized by point, must be provided at the end of abstract.

- Presentation of activity strategy/ Practical Work-shops

Objectives. (Main elements of the strategy or activity should be extracted and presented in a more concentrated manner).

Material and methods. (Clear and concise).

Results. (The relevant ones, as expected).

Conclusions. (Most important observations, any recommendations).

Keywords: 3 to 5 keywords, separated by commas and finalized by point, must be provided at the end of abstract.

Abbreviations

Abbreviations are not admitted in the title and are preferable to be avoided in abstracts.

Example of abstract:

**”ADAPTARE PRIN DEZVOLTAREA ABILITĂȚILOR PERSONALE TIMPURIU”
[ADAPTING THROUGH EARLY PERSONAL SKILLS DEVELOPMENT] – A.D.A.P.T.
2018-EY-PICR-R1-0012 – FINANCIAL AND MANAGERIAL EXPERIENCE**

Abstract (text: 300 words)

Operator de program: Agenția Națională pentru Programe Comunitare în Domeniul Educației și Formării Profesionale (ANPCDEFP)

Project Promoter: Consortium Coordinator Centrul Județean de Resurse și Asistență Educațională, Argeș (CJRAE)

Source of the Grant: European Economic Area Grants,

Partners: Donnor States Expert: Newschool AS, Norvegia

Partner schools: Primary School No. 1, Cetățeni, Argeș, Romania; Primary School No. 1, Micești, Argeș, Romania; Primary School No. 1, Vlădești, Argeș, Romania; Primary School, ”Ion Iorgulescu” Mihăești, Argeș, Romania; Primary School ”Mihai Tican Rumano” Berevoești, Argeș, Romania

Objectives: The purpose of this paper is to inform the public opinion and interested authorities about the financial and administrative evolution of the project. The objectives are: Public dissemination of the evolution state of the project; Offering details about the financial aspects of the project management; Offering support for participants interested to apply for grants.

Management details: Approved budget 98 717 EURO. Time 24 months (1 noiembrie 2018 – 31 octombrie 2020).

Activities approved. Teachers training, Specific non-formal activities for kids, Specific activities for parents, Intellectual products issuing.

Results. 72 teachers were trained regarding ”Deepened aptitudes for integrating roma kids in school”, over 300 students participated in activities designed for them, and over 150 parents

participated in common activities (for roma and non-roma parents together). 8 new curriculums were produced and published, also other 4 new educational support materials.

Conclusions. The project was a success, especially in the actual epidemic context produced by SARS-CoV-2 virus. As it was needed to transform a part of activities, a new project that would implement the original plan could offer a new perspective.

Keywords: Education, Grants, Projects.

The author(s) should use a decent academic language. Presentation of facts and opinions should be kept to **an impersonal speech**. The editors will not accept unsupported criticism or defamation against other texts or authors.

Authors are fully responsible for the quality of the English/Romanian language, editing of the text, citations, and references. We recommend the appeal to a professional translation service, for example American Manuscript Editors, www.americanmanuscripteditors.com.

Plagiarism

The articles submitted for publication will be checked for any violation of the copyright law and editors could consider taking corrective actions against it, varying from asking the authors to re-write overlapping sections to the rejection of the manuscript. Since detection of previous dissemination of the material is not always possible, authors are fully responsible for the originality of content submitted for publication.

Any original material submitted to *Personal Development International Conference* for publication must be accompanied by a filled and signed **Copyright Form** that is included in the [Registration Form](#).

Submission for publication and publication

Manuscripts submitted for publication must be complete and correct. Authors are responsible for re-checking manuscripts every time they are returned for further editing.

Articles previously published in other journals or in another language are not accepted for publication. Failure to comply with editorial recommendations may result in delays in publication or rejection.
